EXPERIENCE

Freelance Mobile Application Developer, 04/2024 – Present

- Developed cross-platform mobile applications using Flutter for both Android and iOS platforms.
- Collaborated with clients to gather requirements and define app features, providing regular progress updates.
- Managed the entire app lifecycle, from planning and development to testing, deployment, and maintenance.
- Provided technical consultancy to help clients choose the right architecture, tools, and best practices.

Mobile Team Lead, 11/2019 – 03/2024

TechFun Myanmar Co., Ltd., Yangon

- Developed and managed project timelines, coordinating with stakeholders to define requirements and deliverables.
- Communicated project progress and identified risks to stakeholders.
- Guided and empowered team members by aligning their strengths and skill sets with project tasks.
- Designed, developed, and implemented mobile applications using Flutter and iOS.
- Prepared comprehensive project documentation, including technical specifications, user guides, and release notes.

Senior Mobile Application Developer, 11/2017 - 10/2019

TechFun Myanmar Co., Ltd., Yangon

- Designed, developed, and maintained high-quality mobile applications for iOS and Android platforms.
- Provided technical guidance and mentorship to team members, ensuring adherence to best practices and coding standards.
- Troubleshooted and resolved complex technical issues and bugs promptly.
- Worked closely with cross-functional teams, including UI/UX designers, product managers, and backend developers, to deliver cohesive and user-friendly applications.
- Stayed updated with the latest industry trends, technologies, and best practices in mobile application development.

Mid-Senior Mobile Application Developer, 04/2016 - 10/2017

TechFun Myanmar Co., Ltd., Yangon

- Designed, developed, and maintained high-quality mobile applications for Android platforms.
- Wrote clean, efficient, and well-documented code under the guidance of senior developers.
- Conducted debugging sessions to resolve technical problems and enhance application functionality.

Researching Leader, 10/2015 - 12/2015
Acroquest Myanmar Technology Co., Ltd., Yangon

- Evaluated new tools, frameworks, and methodologies to identify potential improvements for mobile application projects.
- Designed, developed, and implemented mobile applications using Android and iOS.
- Conducted research to identify new business needs for development.
- Screened resumes and applications to shortlist candidates for interviews.

Software Engineer, 05/2014 - 09/2015
Acroquest Myanmar Technology Co., Ltd., Yangon

- Assisted in front-end and back-end web development tasks, including UI implementation, database integration, and server-side scripting.
- Contributed to the development and maintenance of Android applications, following design specifications and coding standards.
- Participated in testing processes, including unit testing and integration testing, to ensure software quality and reliability.
